

Flood Damage Information

To the Residents of Unincorporated Winfield Township:

The DuPage County Regulatory Services is compiling information for DuPage County's Flood Damage Assessment program.

They are trying to catalogue property damage due to the recent flooding in our County in hopes of securing federal aid for uninsured losses for our residents and business owners.

This information will be available on the County Website and additional information can be obtained on the OHSEM <http://www.dupageco.org/protectdupage/> link on the County website.

Thank you again for your assistance.
